

Why Building Compliance Systems?

What makes BCS stand out from other providers?

- ✓ **We are part of a larger organisation** and backed by 30+ developers
- ✓ **ALL** of our development work is completed in Australia - **We don't offshore anything**
- ✓ Our software is designed to "look simple" but work powerfully
- ✓ **We work closely** with Government Authorities on new developments and legislative impacts
- ✓ **We work with** Industry Associations to provide solutions for their members
- ✓ **We give back** to the industry through our partnerships with industry associations - we're not just a "sponsor".
